Proverbs 30:4, "Who has ascended into heaven and descended? Who has gathered the wind in His fists? Who has wrapped the waters in His garment? Who has established all the ends of the earth? What is His name or His son's name? Surely you know!" This verse is an awesome reminder of the power of God. Spring brings new life and a beauty

in nature that only the Lord can orchestrate. The weather is getting warmer, which means we can get outside during playtime! The preschoolers have lots of energy to burn and love the time on the playground. In June, the kids going to Kindergarten will be moving upstairs. It is an exciting time for them and sad to see them growing up and moving on.

Thanks so much to each of you volunteers that love on and build relationships with the preschool kids. I love to watch you play with, read stories to, and have conversations with the kids each Sunday. The classroom would not run without each of you and I cannot thank you enough for the work that you do! Love, Teresa
